Spare Parts And Special Tools

Date:	Appendix No: 28	Page 2 of 2
Appendix Title: Spare Parts and Special Tools		

GENERAL NOTE

CONTRACTOR shall submit list of spares for pre-commissioning, commissioning and two years operations at the time of submission of Bid documents for all equipment and materials. Spare parts shall be completed with prices, complete parts list and sectional drawings showing interchange ability of parts and shall be identified with manufacturers, size, part number and description.
